

A dense, black and white line drawing of a variety of animals in a stylized, geometric, and abstract manner. The animals include birds (owls, swans, penguins, ducks, chickens, and a toucan), mammals (rabbits, squirrels, raccoons, bears, elephants, lions, and a dog), reptiles (snakes and a turtle), and insects (a grasshopper). The drawing uses bold outlines and geometric patterns like stripes and zig-zags for shading and detail.

A dense, black and white line drawing of a large group of stylized animals, including birds, mammals, reptiles, and insects, arranged in a chaotic, overlapping manner. The animals are depicted in various poses and orientations, creating a complex and busy composition. The style is minimalist, using bold outlines and simple patterns for shading. The animals include birds like owls, swans, and penguins; mammals like elephants, lions, and rabbits; reptiles like lizards and snakes; and insects like beetles and flies. The overall effect is a vibrant and detailed illustration of a diverse animal kingdom.
